

FOR SALE: TREBINJE - STARO SLANO: MEDIEVAL STONE CASTLE / FORTRESS WITHIN THE STONE WALLS ON TREBIŠNJICA RIVER

- Trebinje, Staro Slano, Bosnia and Herzegovina

Property [Description](#)

For sale is a very special property, a collapsed house with 2 towers inside a medieval stone castle in Stari Slano, located on the right bank of the Trebišnjica River, 10 minutes' drive from the center of Trebinje.

For sale is one of the two independent parts of the castle inside the ramparts. The area of the plot is 500m², and a collapsed stone house is located on it. There are two stone towers next to the house, one square, which is shared ownership 1/2 with the neighboring property, and one round, which is owned by the seller 1/1. The orientation of the building is south/west.

This is a fantastic opportunity, not only to become the owner of a unique property, but also a part of local history, because the castle is located on the historically strategic Salt Road between the Ottoman Empire and the Republic of Dubrovnik, which once belonged to the famous Resulbegović family from Trebinje.
